

9 April 1951

MEMORANDUM FOR: DEPUTY DIRECTOR (PLANS)

SUBJECT: NSCID 5

1. It is our understanding that, at its meeting on 11 April, the National Security Council will probably decide to disapprove NSC 10/3 and reinstitute NSC 10/2 with a re-write of paragraph 4. If this NSC action is taken, it would logically follow that NSCID 5 would remain in force.

2. It should be pointed out, however, that the JCS comment on NSC 10/3 recommended a split in consideration between covert operations and intelligence activities, with a result that the JCS version of 10/3 applied solely to covert operations. Consequently, the JCS is presumably still considering the intelligence side of the question with a view to producing a paper setting forth its views.

3. It is therefore recommended that, if NSC 10/3 is disapproved, the Director take the formal position in the National Security Council that NSCID 5 remains in force as the basic charter for OSO and that JCS refrain from making any recommendations stemming from the intelligence portion of 10/3. This action would obviate what otherwise may result in a confused situation.

3. It is therefore recommended that, if NSC 10/3 is disapproved, the Director take the formal position in the National Security Council that NSCID 5 remains in force as the basic charter for ORO and that JCS refrain from making any recommendations stemming from the intelligence portion of 10/3.
